Chan,

Please also include Jenn and Dave (emails above).

We're not available the following dates:

- 11/10 thru 11/21
- 11/23 thru 11/29
- 12/22 thru 12/26
- Generally Fridays

Go ahead and set up a poll based on that and we'll see what day/times work out. We may also forward the poll to a consultant or two if you can send the poll via a link.

I'll have one hard copy of the documents sent to you at your request.

Thanks,
Mark

Hi again Mark,

I'll send a Doodle Poll for asking your available dates for a site visit. Who else would you like me to include? Also what dates from mid-Nov to mid-Dec are you not avail?

Respectfully,

All,

Please see attached for the Port's transmittal letter for the As-Built Report for the EPA Mitigation Site. The pdf file is too large to email, so please go to the below ftp site to download it.
